

491 BC (?)

FL 5th Cen BC

GAIUS MARCIUS CORIOLANUS

A Roman patrician who was intolerant towards the plebeians. At one time, he denied the Senate to discharge certain plebeian tribunes, but being impeached, he fled from Rome.

7 VOLSCIANS.

He raised an army and approached Rome and was only deterred from attacking it by the entreaties of his wife & his mother.

The angry Russians killed her

491 BC

1912 Dates J-BK

Coriolanus GAIUS, UGNAEUS MARCIUS.

A famous Roman Politician who for his opposition to the plebeians and their tribune was impeached and banished. He went to live with the VOLSCI, a neighbouring tribe. He led them against Rome (491 BC) and at the moment of victory yielded to the prayers of the Roman matrons, headed by his mother and his wife, VOLUMNIA, and her 2

children, the children live free and
retained to private life.

49/BC

CORIOLANUS, a patrician tried
to take from the plebeians the office
of tribune. This led to his
banishment. He then induced
the VOLSCIANS to go against
Rome, but nothing came of the
attempt to conquer the city.

49/BC

CORIDOLANUS was benched.
